## CURRICULUM VITAE

Name:

Donald Charles Rau

Education:

B.S. Chemistry 1968 University of Illinois

M.A. Biochemistry and Molecular Biology 1969 Harvard

University

Ph.D. Biochemistry and Molecular Biology 1975 Harvard

University

Positions Held:

|              |   |
|--------------|---|
| 2002-present | Head, Section on Recognition and Supramolecular Assembly,<br>Laboratory of Physical and Structural Biology.<br>NICHD, National Institutes of Health |
| 1999-2002    | Research Chemist, Laboratory of Physical and Structural Biology.<br>NICHD, National Institutes of Health  |
| 1993-1998    | Research Chemist, Office of the Director, Intramural Research,<br>NIDDK, National Institutes of Health  |
| 1990-1993    | Research Chemist, Laboratory of Biochemistry and Metabolism,<br>NIDDK, National Institutes of Health  |
| 1987-1990    | Expert Consultant, Laboratory of Biochemistry and Metabolism,<br>NIDDK, National Institutes of Health   |
| 1986-1987    | Expert Consultant, Laboratory of Chemical Biology,<br>NIDDK, National Institutes of Health  |
| 1984-1986    | Senior Staff Fellow, Laboratory of Chemical Biology,<br>NIDDK, National Institutes of Health  |
| 1979-1984    | Senior Staff Fellow. Laboratory of Chemical Physics,<br>NIDDK, National Institutes of Health  |
| 1978-1979    | Research Specialist, University of Minnesota  |
| 1976-1978    | Chaim Weizmann Postdoctoral Fellow, University of Minnesota   |

|                              |   |
|------------------------------|---|
| <u>Scientific Societies:</u> | Sigma Xi<br>Phi Lambda Upsilon<br>Biophysical Society   |
| Scientific recognition:      | Has been invited to give seminars at five national symposia and numerous universities.                              |
| Honors and recognition:      | Biography included in The Marquis Who's Who in the World and Who's Who in Science and Engineering<br>Phi Beta Kappa |
